Dear Trialist,

## **Mavericks 2009 Co-operative Netball Super League**

For the fourth consecutive season Mavericks has ended the season in the top two of the Netball Super League and we are now ready to look towards next season. Selection will take place over two sessions and they will involve match play, netball specific fitness work and skills, **on 3<sup>rd</sup> & 10<sup>th</sup> September 2008, 7.30pm-9.30pm at the Hertfordshire Sports Village, Hatfield.** All Mavericks applicants are eligible to receive an S&C programme and attend a conditioning session on Monday 20<sup>th</sup> July at the Hertfordshire Sports Village.

A “draft” squad will be announced on the 10<sup>th</sup> September 2009 with a final squad being confirmed mid November. The CNSL 2009/10 will not start playing fixtures until December and this continues through until May 2010. National Squad players are also expected to apply for selection but due to their other commitments, their attendance and participation will be negotiated.

We feel Mavericks is a unique franchise which continues to forge close links with businesses and the East Region Netball Management Board as well as maintaining an infrastructure that is built on netball volunteers throughout the East Region and in areas beyond these boundaries. We believe this is a balance worth maintaining and can only benefit all parties involved in the Mavericks Franchise.

If selected into the Mavericks NSL Squad you will be required to pay a subscription but in order that you gain the benefit you will receive:

- A Strength and Conditioning Programme and regular support throughout the season.
- Twice weekly court play and training – Team training at the Hertfordshire Sports Village, Hatfield and a second session at another venue TBC.
- Physiotherapy support at team training sessions and at the matches.
- Opportunity for regular Super League match play.
- Expenses to training at the University of Hertfordshire and all match play.

Attached please find the following information:

- Potential Mavericks Squad 2009/10 Programme (final dates and details to be confirmed).
