21 May 2009

Dear Trialist,

Mavericks are very much looking forward to the 2009-10 season and are now inviting athletes to trial for Mavericks Youth (MY) who will be competing in the England Netball Talent League. Selection for the will be on held Saturday 18th July 2009, 11am - 3pm at the Hertfordshire Sports Village, Hatfield.

You can apply to trial by completing the attached form if you meet one of the following criteria:

England Players

- Who are current England Talent players 2009-10, born after the 31st August 1990 qualify to trial for Mavericks Youth.

Players within the East Region

- Who are selected at the East Region Screening Day on the Sunday 12th July 2009 (for players who have come through the County and Regional Screening process in the East Region). Previous MY players that live within the East Region that are not part of the England Talent system are automatically invited to Regional Screening.
- Who are over 16 and under 19, born after the 31st August 1990, recommended by their Club Coach who has **not** attended a County or East Region Screening.

Players outside the East Region

- Who are under 19, born after the 31st August 1990 and recommended by their Club Coach. Please note that outside the East Region means **not living** in East Essex, Suffolk, Norfolk, Hertfordshire, Bedfordshire, Essex Thurrock or Cambridgeshire. This includes previous MY players who live outside the East Region.

If selected, the training commitment will be every other week in a Mavericks Youth squad session, (evening, venue and times to be confirmed – more than likely 7:00pm – 9:00pm at the Hertfordshire Sports Village, Hatfield). This training will start in September 2009 and go through to March 2010. There will also be technical training at Excel Academies (EA), in Bedfordshire, Norfolk, Essex or designated venues outside the East Region every other week, this training will start in October and also run to the end of March 2010. This means one session per week (either MY or EA) plus any fixtures. Each player must also commit to complete their strength and conditioning sessions as well as training and playing for their club. This is a large amount of time to train and compete.

As an NTL group we can register up to 20 players, however we can only select 12 players per match. This an elite netball environment where will select on the basis of development and performance targets, this inevitably means that some players will get more court time than others. New players can be selected or existing ones deselected into the squad of 20 at any time throughout the season.

As there are only nine matches it is crucial for players to have be a member of a suitable club where they receive regular training and competition away from Mavericks Youth. NTL level players should be aiming to compete in an adult competition such as the top Regional or Premier Leagues.

The 2009-10 competition involves nine matches - one match against each franchise plus a representative team from the West Midlands and one from the South Region; this means only one match home or away against each franchise. Players have to be prepared to travel to home and away matches. Travel arrangements and the cost of travelling to training and match events are the responsibility of the player (and parents). The fixtures are currently being organised between the franchises and will take place

between the October 2009 and March 2010; wherever possible these are arranged as events that happen before CNSL fixtures.

If selected into the Mavericks Youth Squad you will be required to pay a subscription and will receive regular top level training and a Strength and Conditioning Programme and support through Sports Plan (an online training diary) which you are required to complete weekly.

We feel Mavericks is a unique franchise and it continues to forge close links with businesses and the East Region Netball Management Board, as well as maintaining an infrastructure that is built on netball volunteers throughout the Region and in areas beyond these boundaries.

If you are interested in applying for selection please complete the attached application form. I can be reached on 07801 858996 or by email gloria.keech@mavericksnetball.co.uk if you have any queries.

Best wishes
