## **Mavericks Youth 2015/16 Netball Performance League**

Mavericks are now inviting athletes to trial for the Mavericks Youth NPL Squad who will be competing in the England Netball Performance League. Selection will be held on Tuesday 8 September 2015, 7.30pm-9.30pm at Oaklands College, Hatfield, registration 7.00pm, and if successful further selection will take place on the 15 September 2015 at Oaklands College, 7.30pm-9.30pm.

**You can apply to trial by completing the attached form if you meet one of the following criteria:**

### **England Players**

- Who are current England Academy athletes, born after the 31 December 1996 qualify to trial for Mavericks Youth.

### **Players within the East Region**

- Who were selected at the East Region Screening Day on the Sunday 17 May 2015
- Who were selected at East Region Performance Academy Sessions
- Current Mavericks Youth Players
- It is recommended that players from the East Region should apply for Mavericks trials through the Regional pathway. However, applications will be considered if a reasonable explanation is given by an athlete who applies for a direct trial to Mavericks. It will be at the discretion of Mavericks as to whether to accept her trial form thereafter.

### **Players outside the East Region**

- Who are under 19, born after the 31 December 1996 and recommended by their Club Coach. Please note that outside the East Region means **not living** in East Essex, Suffolk, Norfolk, Hertfordshire, Bedfordshire, Essex Thurrock or Cambridgeshire. This includes previous Mavericks Youth players who live outside the East Region.

If selected, the training commitment will be in a Mavericks Youth squad session, (Tuesdays at 7.30pm, Oaklands College, Hatfield Road, St. Albans). This training will start in September 2015 and go through to April 2016.

S&C is in the process of being finalised. Each player must also commit to weekly squad strength and conditioning sessions (which is likely to be on a Friday at 7-8.15pm – Hertford Rugby Club) Confirmed details of S&C will be outlined at the 1st trial evening and will be published on the website in advance of selection. We also expect all players selected to attend regular training and playing for their club.

**Please see further accompanying notes giving further important information below**

## Important Accompanying Notes

- As an NPL Squad we can register up to 20 players, however we can only select 12 players per match. This is an elite netball environment where we will select on the basis of development and performance targets, this inevitably means that some players will get more court time than others. New players can be selected or existing ones deselected into the squad of 20 at any time throughout the season.
- As there are only nine matches it is crucial for players to be a member of a suitable club where they receive regular training and competition away from Mavericks Youth. NPL level players should be aiming to compete in an adult competition such as the top Regional or Premier Leagues.
- The 2015-16 competition involves nine matches - one match against each franchise plus a representative team from the West Midlands and one from the South Region; this means only one match home or away against each franchise. Players have to be prepared to travel to home and away matches. Travel arrangements and the cost of travelling to training and match events are the responsibility of the player (and parents). Full fixtures for the forthcoming season are still to be advised by England Netball.
- For your registration into the Mavericks Youth Squad you will receive regular top level training and a Strength and Conditioning Programme and support. You will be required to keep and maintain a training diary that will be monitored.

**If you feel you can commit to the statements below please return the completed trial form together with the trial fee of £20 (Cheques made payable to Mavericks Netball) by 24th August 2015 to:**
